UNIQUE & MAGICAL

What is a firedance?

It's a dance and circus performance including burning tools called 'flowarts' which can be thrown, twirled and rotated around the body. The size and intensity of flames build up to a dramatic finale.

Used flame objects could be: Hula Hoop, Sticks, Poi, Fans and many more.

Why work with us?

If you want your event to stand out and create lasting memories, a fireshow is a perfect choice. We deliver a unique and magical highlight that always amazes the audience. A fireshow is safe, intimate, affordable and environmentally friendly alternative to fireworks and ideal solution for weddings, birthdays, gala shows, video shoots, corporate events or festivals. Decades of experience on stage and high safety values guarantee professional and secure procedure.

THE MOST POWERFUL
WEAPON ON EARTH IS THE
HUMAN SOUL ON FIRE.
- FERDINAND FOCH

Next to countless performances on private events here are a few of the major festivals and companies Miigaa has worked with:

Germany: Kreissparkasse, Hofmeister, Weleda, Trumpf, Hotel Barreis

Thailand: Infinity Resort

Australia: Rainbow Serpent Festival, Tamworth Country Music Festival, Mc Donalds Management

FIRE SHOWS

SAFETY AND ORGANIZATION

- High purity, low odor paraffin is used for performances.
- We carry with us all the necessary fire protection technology.
- The fire show can take place both indoors, indoors, and outdoors.

The performance area should be at least 3m x 4m and have a height of at least 3m. Ideally, avoid nearby light sources during the performance.

For performances in pairs and groups, our talented colleagues (optionally male or female) rely on us.

SIT BACK AND ENJOY THE SHOW. WE TAKE CARE OF EVERYTHING, BEFORE AND AFTER THE SHOW.

WALKING ACTS

WALKING ACTS ARE EXCELLENT FOR ADVERTISING CAMPAIGNS, TO LIVEN UP WALKWAYS AND SMALL STAGES, BUT ALSO FOR SEATED EVENTS.
